2. Term of Residence

For students with short stay (tourist) and other visas, rents are calculated from the day of entry. Rates are charged by the weekly rate and/or day extension rate (3000 yen/night). The minimum payment is for 4 weeks (28 days).

For example: Suppose you enter an apartment on April 2nd for a 12-week course commencing April 4th and finishing June 27th. 12 weeks from April 2nd is June 26th, so you will need to extend your stay in the residence by at least 2 days in order to complete your course. For the sake of an example, let's say you decide to stay until the 30th, i.e. 12 weeks plus 4 days in total. Depending on whether you have rented single or shared accommodation, it may be cheaper for you to pay 4 X 3000 = 12000 yen for the additional 4 days, or it may be cheaper for you to pay for a 13th week at the shared rate. Check the homepage for prices and contact the Housing officer if you are not sure.

Please give at least 2 weeks notice of your departure date if possible.

3. Accommodation Fees

If you are enrolling for a short course using a short stay or other visa, your accommodation fees are calculated from the *day of entry*. Rates are charged by the weekly rate and/or day extension rate (3000 yen/night). **The minimum payment is for 4 weeks (28 days).**

Please note that if you prefer to pay for 4 weeks and then by installments, your rent needs to be paid in advance – rent is not paid on departure.

Refunds: Unused accommodation fees will be refunded according to the general refund policy. For detailed information concerning refunds of unused accommodation fees please refer to the homepage.

4. Accommodation Furnishings

The number of items, size and type of furnishings in the student housing is different according to each room. Yamasa will replace items that break due to ordinary wear and tear – however students will need to compensate Yamasa for lost (missing) items or damage to

contents (example: broken windows, holes in walls etc).

Students need to prepare their own bedding/futons. If you would like Yamasa to contact the *Futonya* (futon shop) to arrange for futon purchases or lease, please inform “ Admissions” in advance. Please note that once a futon has been used (even once), the *Futonya* will not accept returned futons.

5. Key loss

Do not lose your key! If you lose the key to your apartment, report it to Student Services or the International Office immediately! It is not the items in the apartment, but personal safety that we are concerned about. For security reasons we will need to replace the lock and students who lose their keys will need to pay for the cost of replacement locks (approximate costs ¥10,000)

6. Noise control in residential area

Some of the local residents take exception to noise after 8 p.m. Please avoid talking outside your apartment or room after 8:00 p.m. At night, **close the door and windows**, reduce the volume of TV's and stereos. When listening to music, use low volume with windows and doors closed or with headphones. If you are living in the apartments (particularly Yamasa Villa), please avoid/minimize visits to other rooms after 10:00 p.m. If it is necessary, be extremely quiet.

IMPORTANT:

※Please avoid offending local residents by ensuring that you keep noise down. Students will have to leave Student Housing if they are complained about on 3 occasions.

※If your family or friends need to stay at Student Housing, the fee is ¥3,000 per day for 1 person. Please contact Yukiko Iijima at Student Services or Declan Murphy at the International office as far in advance as possible.

※**All indoor areas are designated non-smoking areas.**

Smoking is permitted in the following places:

★ **Yamasa Villa:** parking area

★ **Student Village:** terrace (B1)

★ **Residence U, K and L:** outside balconies

Do not smoke in the toilets in Student Village or Yamasa Villa 2. Please note that even if you rent a single apartment, it is designated non-smoking. If you smoke in an apartment, the smell will remain in the wall surfaces. At the end of your stay, we will need to replace wall surfaces with new coverings – the cost will be deducted from your security deposit refund.

7. Trash/Rubbish Disposal

Please place trash/rubbish in the designated areas only on the dates stated in the schedule. At Yamasa Villa, **there are boxes near the stairs of Villa 4, and also 2 large blue containers near Villa 2, so please place items there on the dates stated in the schedule.** It is resident's responsibility to clean and keep clear the entrance to the apartment. If you smoke, please don't discard cigarette butts in the car park or in the bicycle shelter. There are ashcans around the car park, so please dispose of cigarette butts, packets appropriately.

※Also please refer to calendar and small booklet on garbage.
